REVISED:

	208. WITHDRAWAL FROM SCHOOL
1. Purpose SC 1326 Title 22 Sec. 11.13	The Board affirms that even though statute requires attendance of a student only between the ages of eight (8) and seventeen (17), it is in the best interests of both students and the community that students complete the educational program that will equip them with skills and increase their chances for a successful and fulfilling life beyond school.
2. Authority	The Board directs that whenever a student wishes to withdraw, efforts should be made to determine the underlying reason for such action. District resources and staff should be utilized to assist the student in pursuing career goals. No student of compulsory school age will be permitted to withdraw without the written consent of a parent/guardian and supporting justification.
Title 22 Sec. 11.4	The withdrawal of students attending college full-time shall be approved.
3. Delegation of Responsibility	The Superintendent or designee shall develop procedures to govern a student's withdrawal from school.
4. Guidelines	Counseling services shall be made available to any student who wishes to withdraw. Every effort shall be made to satisfy the student's future educational needs. Information shall be given to help the student to define educational and life goals and help plan the realization of those goals. Students shall be informed about the tests for General Educational Development. Students shall be informed of the opportunities available to them in the armed forces. The building administrator shall ensure the timely return of all district-owned supplies and equipment in the possession of the student.
