

CORRECT THE SPACING BETWEEN WORDS 1

Draw a vertical line where there should be a space between words.

Julia was terrified of the dark. In fact, shecouldn'tsleep without leaving thelights on. If there was astorm, sheactually preferred theretobe lightning, because ithelped to light theroom. Power outageswere athingof nightmares, andblackouts wereher worst fear.

She wasn't sure whyshe hatedthe darkso much.She didn't think there were monstersunder her bed or inher closet.

There wasjust something weird aboutbeing in total darknessthat freaked herout!

Draw a vertical line where there should be a space between words.

E

Many people think that we are the only creatures that look to the stars and see pictures, but there are others that look up and see things. Where we see the Big Dipper in the sky at night, the gorillas and monkeys see the Great Banana. Here is why ...

Once upon a time, a great banana tree grew in the jungle. It was taller than all the others around it. The King of
